The following dates have been picked for our monthly "fun" races:

**March 29**  
**April 12**  
**May 17**  
**June 28**  
**July 26**  
**August 23**  
**September 20**  
**October 25**  
**November 15** - Pizza treat at Tony's after the race.

The races will start at 1:00 pm on Sunday afternoons.

We will use "rabbit starts" to get that one additional boat out onto the water. However, non-sailing volunteers for race committee duty would be greatly appreciated.

After the sailing, we will carry on the tradition to meet for pizza and beer (not necessarily in that order) at Tony's Pizza. Even if you can't make the race, don't miss the social get-together!

The dues for 1987 will be determined and payable at the time of our annual banquet which is scheduled for November 20th (Friday before Thanksgiving).
