The following dates have been picked for our monthly "fun" races:

May 22

June 19

September 18 - Rental Boat Regatta

October 9

November 20 - Turkey Day Pizza treat at Tony's after the race.

The races will start at 1:00 pm on Sunday afternoons.

We will use "rabbit starts" to get that one additional boat out onto the water.

After the sailing, we will carry on the tradition to meet for pizza and beer (not necessarily in that order) at Tony's Pizza or the multipurpose room at the lake. Even if you can't make the race, don't miss the social get-together!

The dues for 1988 will be determined and payable at the time of our annual banquet which is scheduled for November 18th (Friday before Thanksgiving).
