

# NOTICIA DEL LAJO

NOVEMBER 1981

© LAKE MISSION VIEJO ASSOCIATION

VOL. 4 NO. 11

**LENDING A HELPING HAND** — These lake members are LMVYC members as well and they have united in the effort to make the 1981 LMV Parade of Lights the most successful in its three year history. All lake members are invited to make their holidays brighter by participating in the annual event. Become part of the tradition! See story below.

## December 12 and 13

# Volunteers brighten parade route

No doubt, the brightest spot in Mission Viejo on Saturday and Sunday, December 12 and 13, will be the surface of Lake Mission Viejo.

The aura is slated to come from the Fourth Annual LMV Parade of Lights and just how brightly it shines depends on membership participation, according to veteran chairperson

Kathy Yeargin.

"We're recruiting all lake members with boats," she explains. "We need fishing boats, pontoon boats and sailboats."

The electricity for Christmas lights and decorations will be supplied by on-site generators. Participants also need not worry about power, as each entrant will become a link in a chain of boats

pulled by the lake pontoon boat.

This is a chance for LMV members to display their unity as an association. If you want to become a part of the festive group for a traditional weekend of holiday activity, call Kathy Yeargin at 768-5523.

Remember, you can even be one of the best, and receive a commemorative trophy!
