- Christmas Party & Parade of Lights December 10, 2011
- Annual Awards Dinner and Installation of 2012 Officers January 15, 2012

It is hard to believe that a year has passed since you elected me to lead this club. The year has passed by so quickly and I am proud to have served the membership. This year's membership level is at an all-time high with 87 family memberships. The junior program under the leadership of Rod Simenz has been an incredible success. Without a hospitality Chairperson there was concern at the beginning of the year that the events would suffer. The previous Chairpersons had set the bar very high. Thanks to the event chairpersons and duty officers as well as many other volunteers the regattas and events were spectacular. I thank you all for your efforts.

As the year wraps up we have the **Holiday Party and Boat Parade** to look forward to on December 10th. We will need assistance in rigging the Schooner and decorating the party boats for the parade. If you are available in the morning please join us at the club at 9:30 am to help get the boats ready and decorate the party room. The festivities will start in the evening at about 5:00 pm. I look forward to celebrating the holiday season with all of you.

Before we start the next sailing season we will need to honor the efforts of the sailors for their accomplishments on the water and the many volunteers that made this season a success. Please mark your calendars for Sunday January 15th for the **Awards and Officer Installation Dinner**. The event will be held at Tijeras Creek Golf course this year. Watch your mail for a formal invitation and more details.

I will be there supporting the new leadership of the Club next year and look forward to serving with you.

Oktoberfest at LMVYC

Hard to say what was more successful the racing or the Oktoberfest party on September 25th. Eighteen boats participated in the regatta, with Jeff Buchman and Peter Tietz leading their fleets by 2 wins and a 2nd. Horst had 3 bullets in the A Fleet. The lack of wind in the first few races made for a particular challenging day. The winds held steady for the final race allowing the racers to get to the docks just in time for the beer and brats.

As always Horst and Caecilia pulled off a great event with a traditional German flair. Some 60 members had a great time celebrating Oktoberfest at the Lake.

Junior Regatta 2:

The conditions could not have been better for the second junior regatta of the year. Steady winds, warm weather and a good turn out made it a real success. Eight sailors competing in sabots and lake boats took part in the day's activities. Claire Noring took first place in the Sabot fleet with 3 first place finishes. Adam Velderrain and Wesley VandenBranden finished first in the lake boats. After the racing the contestants and families were treated to hot dogs and burgers at the club house.

Team Challenge Regatta:

Another win for the Gold Team in the annual Team Challenge (Ed, Susan, Arnold, Bill, Bob, Frank). Each race consisted of a type of relay race with team members racing in Wayfarers, Balboa 13's, C 14.2's and Lake Boats. After the first 2 races the Blue Team and Gold Team were tied for first place with the red team a distant 3rd. Under the direction of the team Captain Arnold the Gold Team managed another first for the overall victory.

Top Skipper Regatta:

The 10 contenders for the honor of the Top Skipper for 2011 were chosen by the Commodore based upon their sailing expertise, participation in Club events and standing in their individual fleets. The contestants included the most senior sailor Ced and the youngest sailor Tyler ever to compete in this competition. After 5 races in the C 14.2 lake boats one point separated the first and second place finishers. Many of the sailors in the middle of the pack could have been in contention for top honors if it was not for a poor finish in one of the races. In the end Randy Tiffany won for the second year in a row with Bob Van Pelt at 2nd and Frank Fournier in 3rd place.

Turkey Regatta:

On a day with the usual shifty winds with occasional gusts the racers had their final chance to seal their fate in the Series Fleet standings on November 13th. After a day of intense competition the day's winners were Horst Weiler, Peter Tietz and Jeff Buchman. The Annual Membership meeting followed the regatta where the new board was elected and the proposed bylaw changes were ratified. An Italian feast with spaghetti and lasagna followed.

AC World Series:

On Saturday November 19th a group of 9 club members took the Amtrak to San Diego to see some of the world's best sailors in action on 45' catamarans in the harbor. It is hard to imagine a better venue for a sailboat race. The pits were set up on the downtown piers and the boats floated in the water just yards from our vantage point. As the racing progressed we gained an excellent vantage point on the deck of the USS Midway. We also had the chance to tour the ship when the racing slowed down. At the end of the day the members in attendance had the opportunity to get to spend more time together when they first missed their train and then the next train had mechanical difficulties on the way home. All in all a great day.

October is for Racing!

Junior Regatta II, 10/09/11

Three regattas were held this month. Junior Regatta II led things off with ten juniors competing in eight races. Claire Noring won all three Sabot races, Tyler Peyatt placed second and Christian Davoodian was third.

The team of Ali and Bella Murdy, Julia Hopps and Claire Noring are shown in an accompanying photo enjoying a lead

at the time over the team of Adam Velderrain and Wesley Vanden-Branden. However, Adam and Wesley went on to win the Lake Boat Class with one second and two first place finishes.

Thank you to all the parents who pitched in to help on the race committee as well as with the after race activities.

Team Challenge Regatta, 10/15/11

The second regatta of the month was the Team Challenge event. Three teams of six members each raced a relay race format where a different type of boat was sailed in each of the four legs of a race. The four classes of boats used this year were Balboa 13, Capri 14.2, Lake Boat and Wayfarer.

This regatta is always one of the most exciting, hard fought races of the year.

The Team Captains were Horst Weiler- Blue Team, Arnold Christensen-Gold Team and Randy Tiffany- Red Team. Three races were sailed. Each race saw frequent lead changes, some crowded mark rounding and a photo finish or two. Blue and Gold were tied after two races, but the Gold Team scored a come from behind win in the third race to win the Challenge. Congratulations to Arnold and his team mates Susan Christensen, Frank Fournier, Ed Rodriguez, Bob VanPelt and Bill Yount.

Top Skipper Regatta, 10/23/11

Ten skippers were invited by Commodore Peter Tietz to compete in this third regatta of the month. The boat(s) to be sailed and the racing format are traditionally the commodore's choice, Peter chose to use Lake Boats in a format of five races with no throw outs. The competing skippers met at the boat docks before the races to work on the boats to make them as fast and as equal as possible. Boat bottoms were scrubbed, rigging was measured and adjusted and hardware and sail repairs were made.

It was not an ideal racing day. Winds were very light which made it necessary to have very short courses and that put a premium on getting a perfect start. Tough to do in light air with ten boats milling about a somewhat short start line.

The Main Sheet

LAKE MISSION VIEJO YACHT CLUB

After four races half of the skippers were still in serious contention to win.

Randy Tiffany managed a solid 3rd place finish in the fifth race to take a one point victory over Bob VanPelt.

By the way, the skipper's ages ranged from 13 to 87 proving once again that sailing can be a life long sport!

Turkey Regatta, 11/13/11

Seventeen boats competed in this final regatta of the year. There was a good and fairly consistent breeze all day. The Fleet Championship Series (FCS) leaders for the year continued to dominate their classes. For the day Horst Weiler won "A" Class, Peter Tietz "B" Class and Jeff Buchman "C" Class.

These were the last three races of the yearlong series of 21 races. Each skipper was allowed to discard their three highest scores and the remaining 18 finish scores were used to determine the final standings. Congratulations to the following FCS winners and runners up for 2011:

"A" Fleet 1st Horst Weiler, 2nd Willi Hugelshofer, 3rd Randy Tiffany

"B" Fleet 1st Peter Tietz, 2nd Frank Roberts

"C" Fleet 1st Jeff Buchman, 2nd Tyler Peyatt, Bill Yount

America's Cup AC45 World Series

Stop #3

San Diego, CA

Early Saturday morning, November 19, nine of us boarded the south-bound Amtrak train headed to San Diego. Peter, Arnold, Mike, Kevin, Tyler and I boarded in Irvine. Bill, Willi and Bob met us in San Juan Capistrano. After a nice ride down the coast with expansive ocean views from our luxurious Surf Liner car, we debarked at the terminus in San Diego.

The old, historic depot with its large Santa Fe sign reminds us of train travel in its glory days.

We entered the America's Cup Village around 11:30 and were greeted by a wonderful sight of the AC45 catamarans moored in a small harbor. These boats are 45 feet long, feature a wing for a mainsail and are capable of up to 35 knots. Teams were preparing them for the match races that day.

After watching teams hoist the boats into the water and rigging them, we ventured into a nice exhibit at the end of the pier. The exhibit featured fun things like the latest GPS units, how wind affects the ocean, effects of the earth's rotation on the ocean, and laminar flow of air.

The photo at right shows Willi standing next to the wind on water exhibit. Wind creates waves, which in turn become small sails, which in turn create even bigger waves.

Our next stop was the WWII aircraft carrier, USS Midway. The Midway is now a floating museum that is home to several aircraft that used it for a base during its 40 plus years in service. After a lunch on the fantail, we headed for the flight deck to watch the races.

From our vantage point near the bow, we could view the entire course. The match races that day featured races between two boats at a time.

The photo left shows Arnold, Bill and Bob on the flight deck. At right is our view of two boats racing, one just rounding the mark and one heading for the finish line. What a great view!

After four or five match races, the American team, Oracle Spithill, emerged the winner. Oracle founder Larry Ellison was at the helm and was given a Louis Vuitton watch and a champagne shower after a presentation on the winners stage.

We all then headed to the AC45 Experience, a movie that simulates a ride on an AC45 catamaran complete with a nice soaking via water jets. We left the experience wet, but it was a lot of fun. I think Bill gets the award for the one with the most direct hits from the water spray.

The Main Sheet

LAKE MISSION VIEJO YACHT CLUB

We bid adieu to the America's Cup Village and walked a short distance to Anthony's where we dined on some great fried shrimp, fish and french fries, all washed down by Anthony's Amber Ale.

As a short history lesson, the America's Cup was first awarded in 1851 and it is the oldest trophy in sports history. In all those years, it has only changed hands five times. The current holder is Larry Ellison's team Oracle. The trophy resides in the Golden Gate Yacht Club. It will be defended in 2013 on San Francisco Bay after an elimination round that will feature 72 foot catamarans capable of 40 knots!

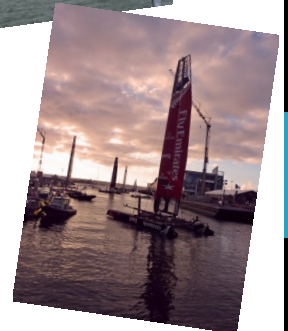

The yacht below is a replica of the America, namesake of the America's Cup and the first yacht to win the race after beating The Royal Yacht in a race off the coast of the Isle of Wight. Queen Victoria was watching the race and after seeing America cross the finish line in first position, asked who was in second place. "Your Majesty, there is no second," came the reply.

After dinner, we boarded the Amtrak northbound and headed for home. About thirty minutes later, the train slowed and an announcement came over the intercom "we are stopping due to a problem with the engine." After a short delay, we got started, but stopped several more times with the last stop near Oceanside. The message was "we may have to wait for a rescue train!" After about 20 minutes and a beer from the dining car, we were underway. We all reached our destinations and agreed it was a fun day at the races.

America's Cup San Francisco 2013 or bust!

Life is all about finding solutions....every day...looking for the bright side...So, problems are opportunities...

Do you own a boat at present? Using Lake Mission Viejo "boats"....at present. Do not own one, nor will I, probably.

If no boat, what is your dream boat? Just a little Sunfish, thank you.

What other hobbies do you have? My family. 3 daughters....12 grandchildren....sailing, gardening, traveling, walking, reading, painting, fishing... enjoying this wonderful life God blessed me with...cherishing every precious moment.

Are you involved in other clubs or sailing organizations? Lake Mission Viejo member. At present, goal is to find time to enjoy our Yacht Club....in every way....and become an excellent, tanned, smiling.....sailor!

Have you thought of serving the club as an officer, race committee volunteer or other position? If there is anything you need my assistance with, I would give it my best effort. Just ask! And point me in the right direction.

How many LMVYC events do you plan to attend this year? As many as possible! I look forward to all of them....Most of the time, I have transportation...but, occasionally, might need a lift to or from events.

What is your favorite LMVYC event and why? I've been to the Wednesday night sails. This Sunday will be my first really official event. I'm betting it will be Christmas! (Sailing in the Summer...Wednesday nights....probably will be next favorite.) We'll see! I can't wait to find out!!!

Thanks to all of you for making me feel so welcome...and helping me fulfill this dream of mine!!! God bless us one and all! Ha! Seriously!!!

Membership in Lake Mission Viejo Yacht Club

Membership in the Club is unrestricted but access to the Lake requires membership in the Lake Mission Viejo Association or admission as a guest of an Association member. A Membership Application along with dues information can be found inside this newsletter.

Lake Mission Viejo Yacht Club conducts monthly Regattas from March through November. Other sailing opportunities exist throughout the year including sailing Invitationals, informal "pick up" races on Wednesday evenings followed by informal get-together at Round Table Pizza and summer "raft ups" followed by BYO-BBQs in July & August. See our 2011/2012 Sailing Schedule inside for details.

In the true sense of Corinthian sailing, our goal at LMVYC is to promote sailing, to encourage good fellowship among yachtsmen afloat and ashore, and to introduce non-boat owning amateur sailors young and old to the sport of sailing. Informal sailing lessons are provided free of charge to new members.
